Order Instituting Rulemaking Concerning
Energy Efficiency Rolling Portfolios,
Policies, Programs, Evaluation, and Related
Issues.

Rulemaking 13-11-005
(Filed November 14, 2013)

**RULING CORRECTING ERRORS IN THE MARCH 3, 2014 GUIDANCE ON
ENERGY SAVINGS GOALS FOR PROGRAM YEAR 2015**

1. Introduction

The Assigned Commissioner's Ruling Amending Scoping Memorandum, and Providing Guidance on Energy Savings Goals for Program Year 2015 (Goals Ruling) contained several clerical errors in its tables. I have consulted with the assigned Commissioner, and now issue this ruling correcting those errors.

2. Corrections to Figure 1

In Figure 1 of the Goals Ruling, we modify the rows labeled "IOU owned street lighting savings goal" to "Non-IOU owned street lighting savings goal" for Pacific Gas and Electric Company (PGE), Southern California Edison (SCE), and San Diego Gas & Electric Company (SDGE). The footnote in Figure 1 correctly reflects that the goals are for streetlights not owned by investor-owned utilities (IOUs), and so is unchanged.

In addition, the PG&E 2015 peak savings associated with IOU Codes & Standards advocacy is 44.2, not 4.2.

The corrected Figure 1 is as follows:

Figure 1- 2015 IOU Territory Savings Goals

IOU Territory	2015 electricity savings (GWh/yr)	2015 peak savings (MW)	2015 natural gas savings MMT/yr)
PG&E			
IOU program savings goal	687.0	110.2	14.3
IOU Codes & Standards advocacy savings goal	282.6	44.2	1.1
Non-IOU owned street lighting savings goal ¹	10.9		
Total Goals	980.5	154.4	15.4
SCE			
IOU program savings goal	688.0	114.6	
IOU Codes & Standards advocacy savings goal	291.5	45.6	
Non-IOU owned street lighting savings goal	3.5		
Total Goals	983.0	160.1	
SCG			
IOU program savings goal			21.3
IOU Codes & Standards advocacy savings goal			1.7
Non-IOU owned street lighting savings goal			

¹ This is the market potential for streetlights not owned by IOUs. IOU funding for streetlights is the subject of general rate cases.

Total Goals			23.0
SDG&E			
IOU program savings goal 2	172.7	29.2	2.3
IOU Codes & Standards savings goal	66.1	0.3	0.1
Non-IOU owned street lighting savings goal 1	0.9		
Total Goals	239.7	39.6	2.5
Total Statewide Goals	2,203.2	354.1	40.9

3. Corrections to Figure 2

Figure 2 contained truncated numbers throughout, due to a formatting problem. The corrected Figure 2 is as follows:

Figure 2 - Impact of Model Updates on Goals

	GWh			MW			MMT		
	Draft Goals	Final Goals	% Change	Draft Goals	Final goals	% Change	Draft Goals	Final Goals	% Change
PG&E	1056	981	-7%	163	154.4	-5%	19	15.4	-19%
SCE	1046	983	-6%	166	160.1	-4%			
SCG							28.3	23.0	-19%
SDG&E	264	240	-9%	43.6	39.6	-9%	2.8	2.5	-12%

IT IS RULED that Figures 1 and 2 of the March 3, 2014 Assigned Commissioner's Ruling Amending Scoping Memorandum, and Providing

Guidance on Energy Savings Goals for Program Year 2015 are corrected as set forth in the body of this ruling.

Dated April 2, 2014, at San Francisco, California.
